

# 2010 MMSHA CALENDAR OF EVENTS

## Mid-Missouri Stock Horse Association

*Since 1975*

The Mid-Missouri Stock Horse Association exists to promote good sportsmanship and horsemanship among stock horse owners and exhibitors in our area. We, as an association, encourage learning, friendship, and family participation and enjoyment. Our rules are designed to give all individuals an opportunity to show their horses under uniform regulations and conditions before competent and honest judges. MMSHA shows/classes are open to any breed of horse considered a stock-type horse that is non-gaited. All horses should be given equal consideration regardless of breed or color.
