
Windmill Arena

Enjoy your stay in Warrensburg and stall your horse at the arena for \$10 per night. Shavings are provided, but bring your own grain and hay.

“Better Gaiting through Proper Bitting”

International Clinician Nicole Carswell will demystify the science of bitting gaited horses. Each clinic horse/rider will be evaluated during the following presentations:

*Explanation of the various types of bits and their uses. How they work and which horse needs them.

*Correct use of the Snaffle Bit

*Demonstration of training techniques in combination with the snaffle bit.

*Progressing from the snaffle to the shanked bit. When to make the change and which bit to choose.

*Flexion and bending techniques for better control.

*Auditors will interact throughout

This is a learn to “Do It Yourself” Clinic in a fun, relaxed learning atmosphere! Come ride with us!

Learn from top Tennessee Walking Horse clinician Nicole Carswell, who has coached many riders to Celebration Equitation titles and trained this year a World Champion Park Pleasure horse. She is the author of *Matter of Pride*, the first book written on horsemanship for the Tennessee Walking Horse rider. Founder of Gaiting Solutions, Carswell has designed a proven line of training tools for the Tennessee Walking Horse.

Improve your knowledge of bits and their functionality; learn which bit is best for your horse and a few new tricks to freshen and improve your riding experience regardless of breed.

Bring your own horse to improve as a riding team for the show ring or the trail. Your Tennessee Walking Horse will benefit as you master bit functionality and gain confidence in the saddle!
