

Come join us for a fun filled Mother's Day weekend!!

Upon arrival, every mother will receive a rose.

Saturday at 1 p.m. we will have a Mother's Day Trail Ride. There will be buckets filled with colored flowers along the trails. You can choose any two color combinations (2 reds, 1 red and 1 pink, etc). Each color combination represents a different prize. Prizes will be awarded Saturday night after dinner.

Catered meal Saturday night followed by cowboy music around the campfire.

Sleep in and then join us Sunday morning for breakfast with complimentary coffee in the office. The trails are wide open for more trail riding.

An extra perk for this packed weekend is Kansas and Missouri State Extreme Cowboy Colt Champion, Ashley Purdin! This clinic is only open to 12 people, so make sure you call ahead to reserve your spot.

Von Holten Ranch didn't want your horses to be left out so we brought in an equine massage therapist. She is offering her service at 1/2 price. Call ahead to secure your horse's vacation:)

Prices in addition to camping (plus taxes):

Saturday night meal: \$15

Sunday breakfast: \$6

Kimberly Frier/equine massage therapist: \$20

Ashley Purdin/Pioneer Horsemanship: \$100

FYI: .

1. If you are not camping, you can still do the Mother's Day Trail Ride for our regular day pass fee of \$10.
2. If you would only like to take part in the clinic, that is great!
3. You can also come and camp and not partake in the activities.
4. MEN ARE WELCOME AND ENCOURAGED TO ATTEND!
