Dear Friends,

We are very pleased to welcome you once again to Kansas City, the American Royal, and the UPHA/American Royal National Championship Horse Show. This year marks the American Royal's 117th year, a Kansas City tradition since 1899.

The American Royal's past 116 years have been full of wonderful accomplishments, exciting performances, and valued memories. The 2016 show will be no exception and will present a more relaxed schedule to provide our guests time to enjoy all that Kansas City has to offer along with what will be, for many, the finale of the 2016 show season.

In their 12th year of partnership, the UPHA and the American Royal are proud to present their National Championship Horse Show again in 2016. We thank you for bringing your exceptional equine athletes and accomplished riders and drivers to Kansas City for what offers to be one of the best shows of the season and a grand conclusion to your 2016 show season.

Good luck and enjoy the show!

Sincerely,

Carol Carlson and Chris Willis, Co-Chairs

The American Royal Association

Woven through the history of Kansas City since 1899, the American Royal inspires and cultivates dreams by providing opportunities for agricultural competitive learning, educational experiences, and scholarships. The American Royal is a 501 (c) (3) not-for-profit organization that contributes more than \$1 million annually through youth education programs and scholarships. Over 270,000 attendees annually attend American Royal events that generate over \$60 million of economic impact. To learn more about the American Royal visit AmericanRoyal.com.

Vision - To be the national platform for agriculture that inspires future leaders and creates an arena for agricultural learning

Mission - To impact the future of agriculture through competitive learning, scholarships, education and agriculture events

Purpose - We provide opportunities for agricultural competitive learning, educational experiences and scholarships that inspire and cultivate dreams

Did you know...

The American Royal has partnered with four local elementary schools to provide agricultural education experiences for students throughout the Kansas City metro area. The American Royal Neighborhood Schools Program brings the farm and ranch into the Kansas City classroom, and takes students out of the classroom for fun, eye-opening experiential learning that only the American Royal can deliver. Where our food comes from and who shapes the future of agriculture are vital issues for young people and their communities. The 2016 partner schools include Allen Village, Crossroads Academy, Gordon Parks Elementary, and Rosehill Elementary.
