William Woods University

Horse Resource Day

The School of Equestrian Studies at William Woods University is excited to offer a variety of resource and practice sessions for Horse Bowl competitors and coaches as well as horse enthusiasts. Mark your calendars for the dates below.

Saturday October 12th 10:00-1:00 RESOURCE DAY

Join us for a variety of informational sessions on where to find resources, content and experts to help your horse enthusiasts be successful. We plan to cover horse bowl, horse judging and horse showing as well as general horse management. A group discussion about how equestrian professionals and facilities can help you achieve your club goals will take place over a “bring your own lunch” session. Parents, leaders, and club members are all invited. RSVP encouraged but not required! LOCATION: WWU STABLES

GENERAL INFORMATION:

Pre-registration and RSVPs will allow us to be fully prepared with adequate space and materials. However, if you decide you can make it at the last minute, just let us know!
