2020

Animals do the darndest things. They get tangled in fences, stuck in mud, fall through ice.... If there's trouble to be found, they will find it. That's why we who are dedicated to the safety of all kinds of our livestock, need to keep this number handy.

Mom and Dad

Every year, due to the generosity of the Sponsors listed here, horses and riders of every age, skill level, and interest, compete at our horse shows. Because of sufficient support, our club is able to provide a broad range of classes, high quality judges and a pleasant experience for contestants and spectators alike. Parents and grandparents are able to pass their love of horsemanship and sportsmanship on to the next generation. Jefferson County Trail Riders competitors learn to win and lose gracefully while cheering for each other in a warm, collaborative environment.

Our community of Sponsors is an indispensable element of our continued success. Please support the businesses on this page!
